Reference Book: *Creating Vigilant, Prepared and Resilient Communities*

Homeland Security Western Oregon university and Western Community Policing Institute

Prepared + Resilient = Vigilant

OVERVIEW:

Because of the 911, Columbine H.S. shootings, Virginia Tech shootings, Johnson Space Center Shooting, we as a community must remain **prepared** for **Foreign or Domestic Terrorism**.

Using the **HOMELAND SECURITY OBJECTIVES**, **Prepared** and **Resilient Communities** are the focus of this model.

This Model, addresses **Preparedness** by understanding

*What a **Vigilant** Community looks like.

Resilient:

The ability to **Immediately Respond** and **Repair** a community element, i.e. home, business, school. or bridge.

Respond:

The Communities' ability to **Interdict Terrorist** actions, against the United States or its individual communities with **Appropriate Force**.

SHORT RANGE RECONNAISSANCE PATROL {SRRP}

Nomenclature:

Honorably Discharged, Special Operations Persons from the four armed Services of America, with specific Tactical skills required on a SRRP team.

** Must be able to complete **Community Emergency Reaction Team [CERT]** training provided by a local **Authorized Regional Homeland Security Office**.

** Must complete *other training* as required for team role i.e. *Map reading, Communications Protocol etc.*

*** **BEST PRACTICES:** *Exfiltrate in order to be Extracted*

JNESBITT ASSOCIATES
CI Operation Model
[Conduit Mole]

Evidenced from 2003 Through 2007, may 25. NPA Philippines in the USA

USE ME so I can See You:

By being the victim [Passive... then Aggressive]

You can use me, for your ENDS as long as I will Live, and friends or Family...

CI Goal: To Identify you and methods later, including your system.

WHERE is the POWER?

Spiritually, Psychologically, Mentally, Socially,* Physically

- Physical includes and is not limited to, N.B.C. Or suicide team attackers.
